RULES

Please park your cars as guided by our Car Park Volunteers.

You will be required to leave your keys in your vehicle if it is blocking another.

To avoid unnecessary congestion, kindly avoid driving around the ladies drop-off area unless extremely necessary.

During Ashra-e-Muharram, the main carpark will be reserved for disabled drivers and those in need. Special passes will be given and please make sure these are displayed in your cars clearly. The spaces will be allocated on a first come first served basis. However, please contact volunteers if assistance is needed once the carpark is full.

The main gates will remain closed for approximately 20 minutes after the program due to health and safety reasons.

On entering the Imambargah, please occupy space towards the front so as to avoid disturbance during proceedings and to allow space at the rear for those who arrive after you.

On leaving the Imambargah/Syeda Zainab Building, Gents are expected to disperse into the car park. Standing outside the entrances causes congestion, is dangerous and hinders the passage for our Ladies.

Parents are expected to look after their children during and after the programs.

Children under 7 years **MUST** be accompanied by an adult when using the washrooms in order to maintain taharat.
